

Mar Thoma Syrian Church of Malabar

From the President of The Sunday School Samajam, Joseph Mar Barnabas Episcopa

Circular No. 120

Beloved in Christ,

May God's blessing be upon you all.

God has chosen the Mar Thoma Sunday School Samajam as a channel to initiate Christian Education in the church for the last 112 years. Samajam should be able to inculcate God's mysteries to the new generation which was handed over through our fore parents. Samajam has been working hard to equip our children, to know Jesus our Saviour and to root their faith in Christ. No children should be left without Sunday School Education. Careful effort should be taken to bring our children to grow in relation with the Word of God, Church and Society. November 5th should be set apart to remember, pray and to encourage the activities of Samajam.

All of us should celebrate that day as Sunday School day. Children should be encouraged to participate and lead the worship service. All of you are urged to contribute generously in the offertory for the Samajam. As you all know the secretaries' quarters has been dedicated. Rev. Tony Eapen Varkey, is the newly appointed assistant secretary of the Samajam in the place of Rev. Prince Varghese who served us for the last 5 years. The office bearers of Sunday School should make sure that the Sunday School children are participating in the worship service. It is desirable to conduct Sunday school classes after the worship service. In response to the general body meeting of Samajam each Sunday School are here by instructed to begin Balasamajam in order to cater to the cultural and literary talents of our children. I urge you to strengthen our children in true faith and discipline.

May God bless you.
